**ELECTRICAL COMPONENTS**

- |                                  |                       |
|----------------------------------|-----------------------|
| ① Headlight                      | ⑪ Neutral switch      |
| ② Engine stop switch             | ⑫ Starter motor       |
| ③ Clutch switch                  | ⑬ AC magneto          |
| ④ Diode                          | ⑭ Rectifier/regulator |
| ⑤ Starter relay diode            | ⑮ Ignition coil       |
| ⑥ Throttle position sensor       | ⑯ Spark plug          |
| ⑦ Starter relay                  | ⑰ Start switch        |
| ⑧ Fuse                           | ⑱ Light switch        |
| ⑨ Starting circuit cut-off relay | ⑲ Main switch         |
| ⑩ Taillight                      | ⑳ CDI unit            |
|                                  | ㉑ Battery             |
